(54) Abstract Title

Duvet cover

(57) A piece of fabric in oblong form which when fastened together will take the shape of a square. 'Press Stud' fasteners along all four sides of fabric can be pressed together after attaching four clips on each corner to the four corners of the duvet, allowing the fabric to be folded over to form a square.

GB 2 332 369 A

At least one of these pages has been prepared from an original which was unsuitable for direct photoreproduction.

**2332369**

1.

**Description**

**Easy Fix Duvet Cover**

This is an oblong piece of fabric with a fold in the centre. Along each side are stud fasteners. When the fabric is laid flat, the duvet can be fastened to the other corners. The fabric can then be folded back over the duvet and secured around all four sides.

2.

### Claims

- 1) A piece of fabric in oblong shape which when fastened together will take the shape of a square.
- 2) "Press stud" fasteners along all sides of oblong fabric can be fastened together after attaching four clips located on each corner of fabric to each corner of the duvet, which can then be folded over to encase duvet to form a square.
- 3) Will enable people with some types of dissability to use easily.
